New Business

- Range Events
- Range Improvements

Appointment of Section Heads

Election of officers

Annual General Meeting

Sunday January 26, 2014

2 pm sharp

Doors open at noon

Memberships will be processed until 1:45 pm

At the gun club on

Grey Mountain Road

The locks on the gate will be changed after the AGM. Please bring in your 2013 key when you come to the meeting.

New gate keys will be issued at the AGM to existing key holding members in good standing.

A member in good standing is one who has paid their annual membership dues within the first thirty days of the membership year.

Key holding members in good standing who are unable to attend the AGM will receive their membership card and key by mail after February 1st.

In 2013 90 club members, both new and old, participated in a Range Orientation Tour and were issued with a key to the gate. There are 290 keys issued to club members and regular user group coordinators. Everyone has been doing a great job this year with the security requirements at the range as well as using the Red/Green flags. Thank you!

Red flag = Live Fire. Green flag = Cease Fire

THE NATIONALS ARE COMING

The Yukon Shooting Federation will be sponsoring the National Silhouette Rifle Championships this summer in association with the Silhouette Rifle Association of Canada (SRAC).

Silhouette shooters from all over Yukon as well as other areas of Canada are expected to participate. There may even be a few shooters from the United States venture north for the action.

This event will be hosted at the Whitehorse Rifle and Pistol Club from July 5 to 13, 2014. During this time the range will not be scheduling any other activities.

Small Bore July 6, 7 & 8

High Power July 10, 11 & 12

Competition details and registration forms will be accessible on the Web site at www.wrpc.ca

HISTORIC FIREARMS & COLLECTIBLES

WRPC Annual Gun Show of Historic Firearms and Collectibles and Open House Saturday February 22, 2014.

Displays demonstrate how guns evolved through history from black powder to current day "black guns".

See the military memorabilia reflecting the events of several world conflicts, including the First and Second World Wars, and the Korean War.

Learn how shooting techniques and firearms vary among the many shooting disciplines.

If you are interested in making connections to become active in Trap, Metallic Silhouette, Practical Handgun or Long Distance Bench Rest shooting or just to find out what is happening at the Range this year, come on out !

Doors open at 10 am. Admission is \$5.00 for adults.

Hourly door prizes.

Contact Len at 633-6094 if you are able to help or interested in reserving a display table.

WWW.WRPC.CA - STAYING CONNECTED

The web site continues to receive steady interest since it's initiation in October 2012 with approximately 50 hits every day.

Currently there are 142 subscribers who automatically receive updates to News items posted on the web site. You can submit your email address on the HOME page just above the LINKS section in order to be included in these Web-Posts.

Again this year our Yukon enforcement agencies will be using the range for train-

ing and qualification exercises, primarily on the PPC Range. Members can continue to use other areas of the range during the day when the PPC range is in use.

Check the CALENDAR regularly for updates on range activities.

Questions? Concerns?
