Pro-rated or partial year memberships are not supported. All 2019 memberships will expire on March 31, 2020.

Example: Dues paid November 20, 2019. Membership valid from November 20, 2019 until March 31st, 2020.

NEW MEMBERSHIP CARDS

No more paper membership cards

The plastic business card style card is expected to survive several years before needing to be replaced, so don't toss it out at the end of the year.

Once you have renewed your membership for the current year, a date validation sticker will be issued. Apply this to your membership card to validate your membership.

Be sure to advise the club if your mailing address changes.

You can send an email to secretary@wrpc.ca to provide the details.

CHECK THE EXPIRY DATE ON YOUR PAL

The Canadian Firearms Program will send you a renewal notice in advance of the expiry date on your PAL. Advise them promptly (within 30 days) if your address changes. This should ensure that you receive your notice for renewal and remain compliant for the possession of firearms.

If you have restricted firearms, keep your membership current as you will be required to prove membership with an approved gun club when renewing your RPAL to support your request for an ATT.

Questions about the Firearms Program should be directed to 1-800-731-4000.

You can renew you PAL on-line at:

GATE LOCKS WILL BE REPLACED MARCH 27, 2019

Gate keys and locks are changed at the end of the membership year.

Members who received a 2018 gate key will receive the 2019 gate key along with their date sticker once their membership for 2019 is renewed and the old gate key is returned.

If you are renewing your 2019 membership before March 27th and are planning to use the range between now and the end of March, please keep your 2018 key. There will be opportunities to exchange the key later in March.
